CLUE 1:

Help Lenny and Spike connect the dots to see where to go next...

Take turns drawing a line between two shells. When you complete a square you get a point. Squares with a starfish in them get two points.

Can you find all the words in the pearl before Oscar does?

DID YOU KNOW?

The Giant Clam lives in the warm waters of the South Pacific and Indian Ocean.

The Giant Clam is capable of reaching 4 feet in length.

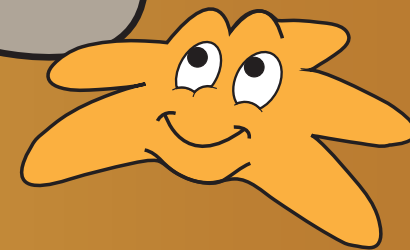

Once the Giant Clam fastens itself to a spot on a reef it stays there for the rest of its life.

The Giant Clam can weigh more than 500 pounds

CLUE 2:

Help Sparkle find and decipher the code to see where Lenny and his friends are going next....
